Noon

SS 2026

رون

رون

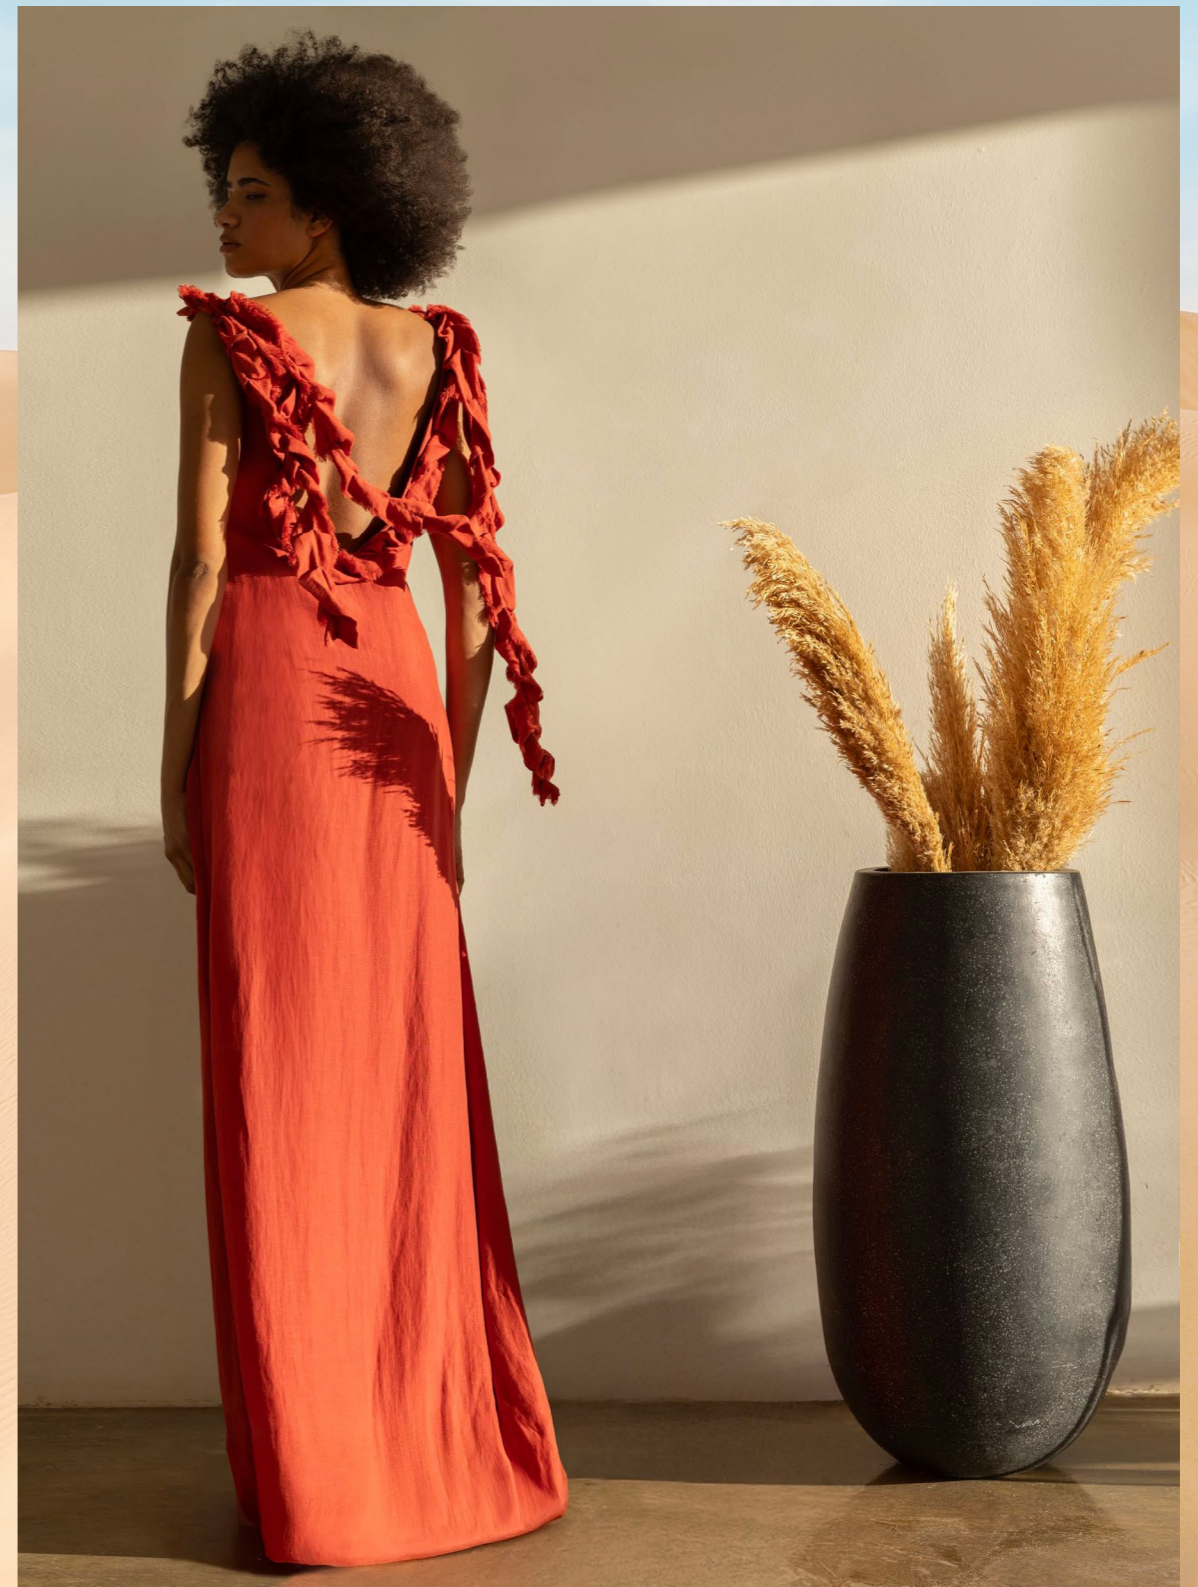

Drawing inspiration from the intricate patterns of East architecture and the ethereal light of the desert dunes

رون

Blended with the timeless charm and elegance
of the Greek cultural heritage, this year's
collection creates artworks that dazzle and
uplift..

رون

رون

رون

It's a reminder that even in our darkest moment, a glimmer of light can guide us.

رون

رون

From looser fits to skin tight pieces, "Noor"
SS/2026 designs come with versatility in shade,
texture and style.

رون

رون

رون

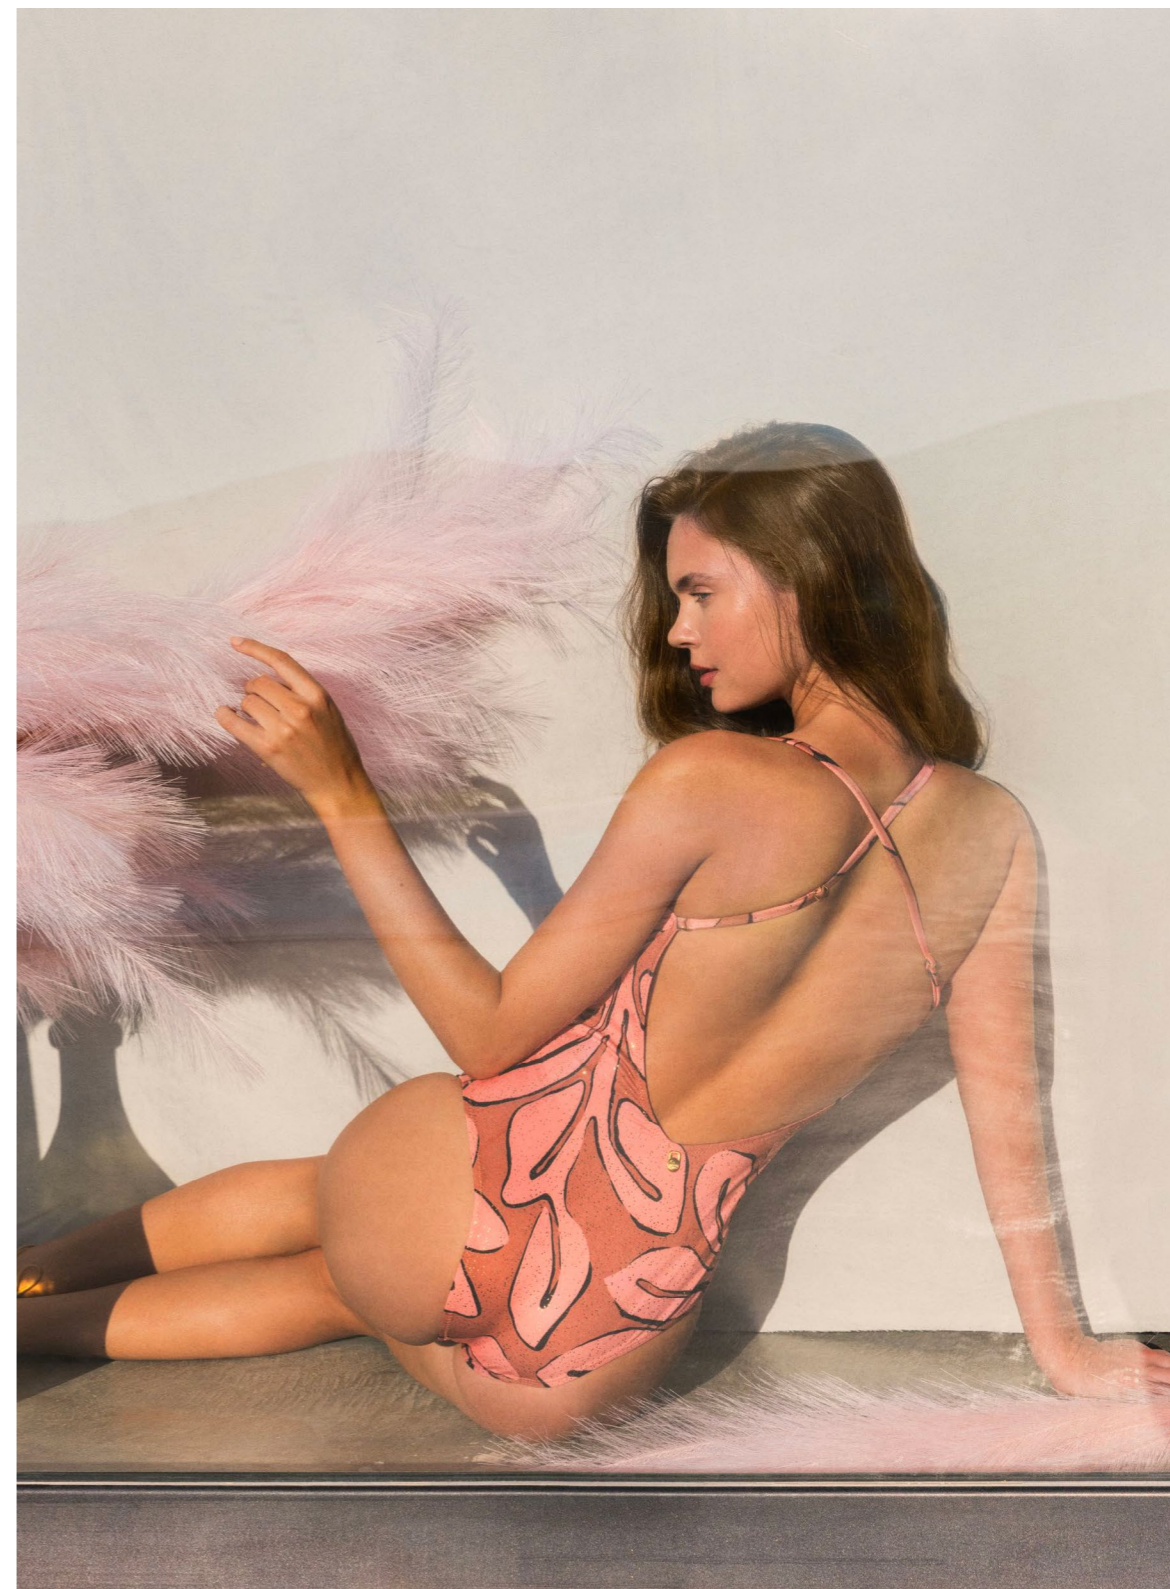

رون

While some opt for the care-free wrapping methods and prioritize comfort and flair, others follow a more strict tight style offering a glimpse into the rich cultural heritage that has been shared and passed down through the years.

رون

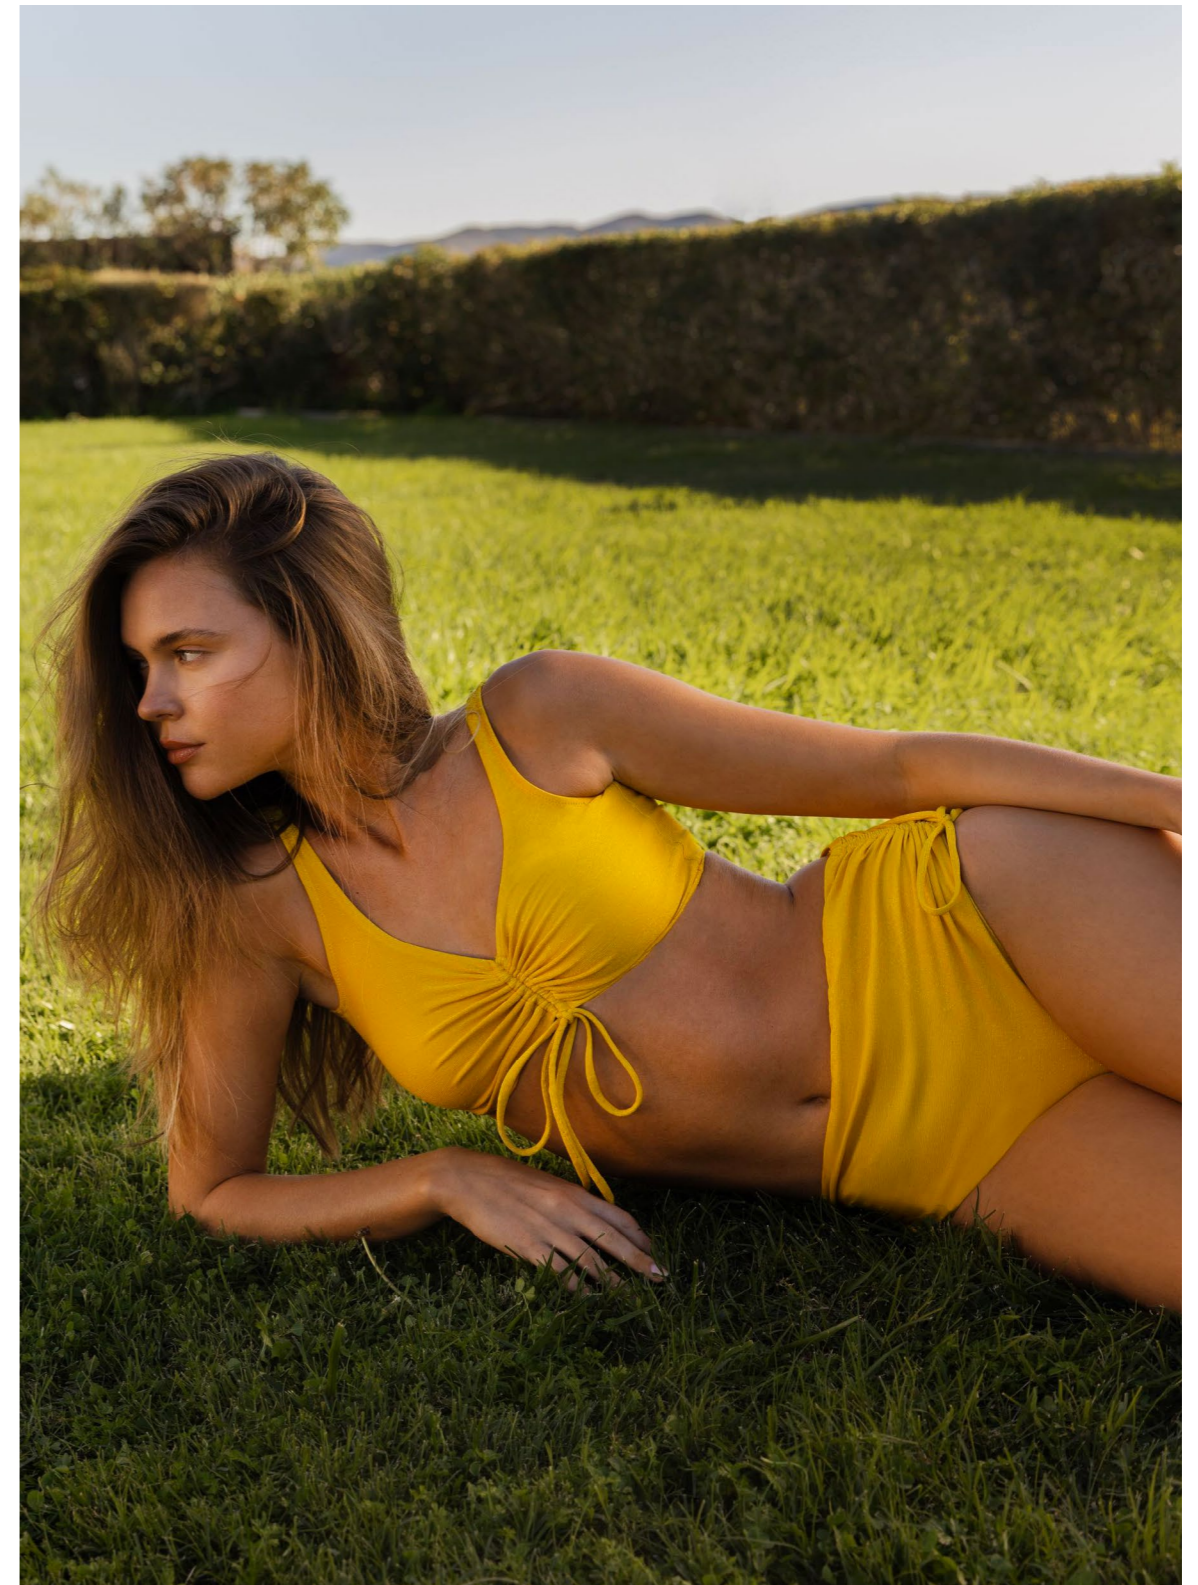

رون

رون

Coppery browns, greens and blush tones, bright yellows and deep corals accented with lavish gold and bronze embellishments dominate the collection, evoking opulence and sensuality in each movement.

رون

رون

Delicate viscose and linen fabrics merge with intricate sequined patterns, while semi-sheer qualities exude elegance and fluidity as your social calendar fills up with summer soirées.

Adding layers of aesthetic and cultural significance while creating a harmonious blend of East and Mediterranean features,

ALISAHNE offers a colorful, bold and fabulous collection of multiple formations that brighten up your everyday style.

رون
